

*Chicago Asthma Consortium is a coalition of medical and public health professionals, business leaders, government agencies, community-based organizations, and individuals dedicated to improving the quality of life for people with asthma through networking, information sharing, and collaboration.*

*The mission of Chicago Asthma Consortium is to improve the quality of life for Chicagoans living with asthma.*

## 2012 ANNUAL REPORT

The year was filled with both opportunities and challenges. Some highlights were:

- Implemented two large-scale educational programs for healthcare professionals on clinical advances in asthma care reaching 185 health care providers, asthma educators and advocates.
- Analyzed a community health survey in three underserved communities in Chicago that will allow Chicago Asthma Consortium and other organizations to better serve the residents in the communities and to reduce health disparities.
- Developed educational materials; including an “Asthma Tips for School” brochure, and tools for parents with children with asthma on developing 504 plans for their children in school.
- Distributed 13 Asthma Friendly School Awards.
- Served in a coordination role for several area grants including the *Healthy Home Healthy Child: The Westside Children’s Asthma Partnership* grant, and the CDC *Improving Health and Educational Outcomes of Young People* grant.
- Hired a new Executive Director for the organization.
- Initiated a strategic planning process.
- Secured in-kind services for a complete re-branding process for the organization.
